Pemberton Gardens

This incredibly bright two-bedroom flat, with balcony and exceptional views of the London skyline, is situated on the seventh floor of a 1960s apartment block close to Archway station.

Internal accommodation extends to approximately 680 sq ft and is accessed via a lift from the well-maintained ground-floor communal area. The space has been reconfigured by the current owners to create an open-plan kitchen and living / dining room with original wood-block parquet flooring and glazed door to the private balcony with views of Hampstead Heath.

There are two bedrooms, one with original built-in wardrobes, and a large bathroom with rubber flooring. Original cupboards in the hall offer plenty of extra storage. Secondary glazing has been added for further insulation and a new combination boiler has recently been installed.

At the rear of the building is a lawned communal garden for the sole use of residents.

The Modern House is an estate agency that helps people live in more thoughtful and beautiful ways. We believe in design as a powerful force for good. Inspired by the principles of modernism, we represent design-led homes across the UK which celebrate light, space and a truth to materials. Esquire credits The Modern House with “rewriting the rulebook on estate agency” and GQ voted us “one of the best things in the world”.
