## Piper Building

This one / two-bedroom apartment (1,139 sq ft) is located in the Piper Building, so-called because of its renowned murals by the artist John Piper. Situated very close to the Thames in Fulham, the building is a private, gated property.

The Piper was converted in the 1990s by the renowned architects Lifschutz Davidson from a 1950s Modern building that was formerly used for industrial purposes. The original concrete structure, which has been retained, provides exceptional ceiling heights and well-proportioned spaces. The conversion received many awards at the time and continues to attract much interest.

The complex includes an extensive secure parking area, an on-site health club and a communal rooftop garden.

The Modern House is an estate agency that helps people live in more thoughtful and beautiful ways. We believe in design as a powerful force for good. Inspired by the principles of modernism, we represent design-led homes across the UK which celebrate light, space and a truth to materials.
