

THE MODERN HOUSE

Falmouth, Cornwall
Sold

Rocket House

This is the largest apartment in Rocket House, an outstanding building on Falmouth's seafront, designed and developed by award-winning architect Guy Greenfield.

The three-bedroom property has an impressive 26 ft glass fronted reception room leading to the 25 ft sun terrace enjoying 180 degree, uninterrupted, south-westerly views across Falmouth Bay and the surrounding coastline. There is the benefit of lift access, under-floor heating and electronically controlled underground secure garaging.

Falmouth is a sought-after Cornish coastal town close to a number of celebrated sandy beaches. A branch rail service from Falmouth provides regular access to Truro with connection to London (Paddington), and an approximate 30 minute drive leads across the county to Newquay Airport where there are regular domestic flights to London and other UK airports.

THE MODERN HOUSE

About

The Modern House is an estate agency that helps people live in more thoughtful and beautiful ways. We believe in design as a powerful force for good. Inspired by the principles of modernism, we represent design-led homes across the UK which celebrate light, space and a truth to materials. Esquire credits The Modern House with “rewriting the rulebook on estate agency” and GQ voted us “one of the best things in the world”.
